

To say *endurance is important* is an understatement. If you are a marathon runner endurance is essential. If you're a parent raising children during a pandemic, endurance is vital. For all of us these last few months have tested our endurance.

On Sunday we heard Psalm 100 which reminds us of God's endurance.

Shout for joy to the Lord, all the earth.

Worship the Lord with gladness;  
come before him with joyful songs.

Know that the Lord is God.

It is he who made us, and we are his;  
we are his people, the sheep of his pasture.

Enter his gates with thanksgiving  
and his courts with praise;  
give thanks to him and praise his name.

For the Lord is good and his love endures forever;  
his faithfulness continues through all generations. Psalm 100 (NIV)

Friends, the love of God endures forever. My prayer for you this week is that you know and experience the enduring love of God in your life and your faith life.

Blessings,
